Beginning this year, ECTB is going to make it easy to communicate with our most valuable resource....YOU!

ECTB administrators will have the ability to contact you instantly through text and/or email. Here's how it works,

You will text a keyword to 84483. You will then be subscribed to the free messaging service. There is no cost for you to receive these messages, unless you do not have text messaging on your phone. Please check your cellular plan for details. Each Tournament has a distinctive keyword, which can be found on the schedule/results page of all tournaments.

You will get a confirmation message, if you do not, you may need to contact your provider and ask them to turn on Mobile Terminated Texting. This is FREE, but some carriers have this turned off by default.

Now, whenever important news or changes need to be sent out, everyone in the group will get that message right on their cell phone, immediately. You may sign up as many phones as you like, players, coaches and parents!

If at any time you wish to cancel this service, simply reply to one of the texts with the word "STOP" and you will be removed instantly.

Only authorized ECTB members will have the ability to send messages, so there is no worry about who will send messages out.

Please sign up with the instructions below ASAP, as we will be using this as our means of communication this year.
